Read John 6:1-14

What is the biggest group of people you have ever eaten with? Did you cook for them?

Jesus fed 5,000 men. Women and children aren't even mentioned! How did Jesus make sure a child was important in this story?

Could you feed your family dinner with five biscuits and two small fish? Would there be enough?

Jesus took the little bit that the boy offered and turned it into enough for more than 5,000!

What you have is more than enough for Jesus to use for great things. Give what you have to him, and he will do great things with it!
