Take turns talking about a time each person experienced Love.

How do Love and Hope go together? How do each of these feelings come to the forefront during Christmas season?

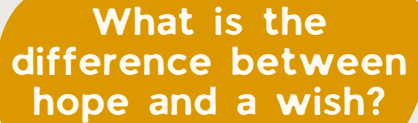

Read 1 Corinthians 13. What does this chapter teach you about love? How can you show love?

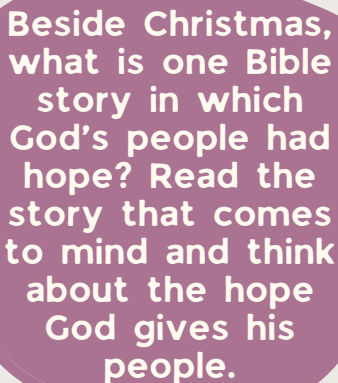

Draw a picture of something that shows you love.

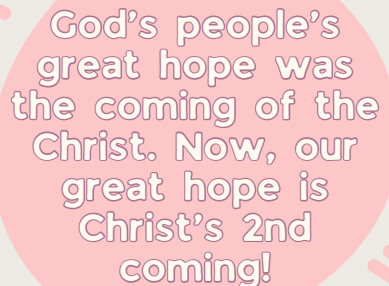

What is hope?

What is the difference between hope and a wish?

Beside Christmas, what is one Bible story in which God's people had hope? Read the story that comes to mind and think about the hope God gives his people.

God's people's great hope was the coming of the Christ. Now, our great hope is Christ's 2nd coming!
