PEACE

JOY

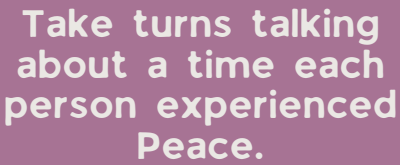

LOVE

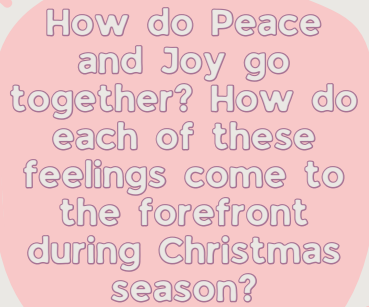

HOPE

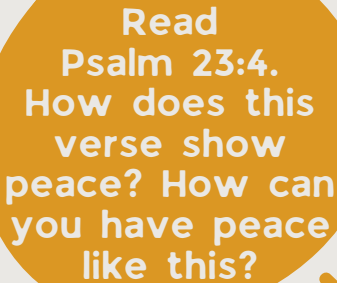

ADVENT

Take turns talking about a time each person experienced Peace.

How do Peace and Joy go together? How do each of these feelings come to the forefront during Christmas season?

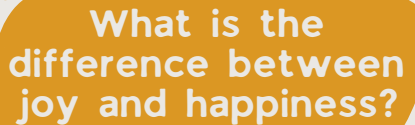

Read Psalm 23:4. How does this verse show peace? How can you have peace like this?

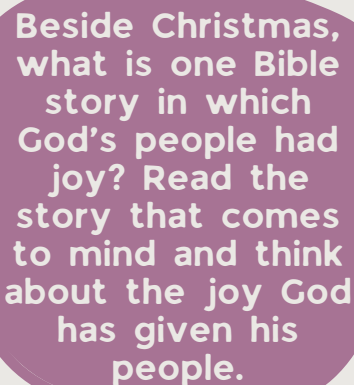

Draw a picture of something that gives you joy.

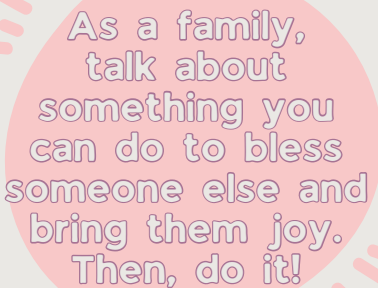

What is joy?

What is the difference between joy and happiness?

Beside Christmas, what is one Bible story in which God's people had joy? Read the story that comes to mind and think about the joy God has given his people.

As a family, talk about something you can do to bless someone else and bring them joy. Then, do it!
