

“

"If anyone would be first, he must be last of all and servant of all." And he took a child and put him in the midst of them, and taking him in his arms, he said to them, "Whoever receives one such child in my name receives me, and whoever receives me, receives not me but him who sent me."

- Mark 9:35b-37

'Games' uses active play to creatively teach a Bible story and its concepts. Most classes involve lots of movement and fast-paced activities to engage kids in meaningful ways. It's okay for us to become a little undignified in 'Games' in order to teach the Gospel!

What to expect:

- Themed games (Yes, it's in the name, but we really play lots of games!)
- Some games may be very active, some may be very calm, some may be physically challenging, some may be intellectually challenging, some may combine any or all styles of games.
- A teaching time where kids circle up and hear a story.
- Scripture reading.
- Application of games to the concepts of the Bible story.
- Prayer.
