Read Psalm 100

What is a joyful noise?

How does God give you joy?

Lots of things can give us joy! Things like a really good piece of cake, a cool new toy or winning a game can all bring us joy. But these things only give us joy for a little while. Soon, the cake will be gone, the new toy will become an old one and we'll be playing another game that makes us forget about the last game that we won. Joy from God lasts forever. His joy never goes away, never becomes old and should never be forgotten!

Make a joyful noise to the Lord right now! You can sing a song, pray, read the Bible out loud, or anything else you can think of to make a joyful noise to the Lord!
