What is your favorite Easter tradition?

What happened on the first Easter that we celebrate every day?

Is Jesus still alive today? (Spoiler alert: the answer is YES!)

Why does Jesus being alive today matter to us?

Jesus took our punishment for us when he died. Talk about a punishment your child receives when they do wrong and compare it to Jesus taking the worst punishment for us.

Jesus dying wasn't the end of the story, though. When he came back, he defeated death! Now, we can defeat death when we are full of the Holy Spirit and live forever - just like Jesus!

Talk about what forever really is.
