

# Fam Jam

And God Said...

Let There Be  
an Expanse

04/19/26

# Fam Jam

Get together with your fam and jam about the creation of heaven, water and earth!

Read  
Genesis  
1:6-10

What is  
an  
expanse?

Talk about some practical benefits of the sky (water cycle, atmosphere, etc.)

God named his creation. He called the light "day," the dark "night," the expanse "sky," and the land "earth." Does that matter?

How did God create?

Why is it important that time and time again, God saw that his creation was good?

What did God create on the second day?
