

Fruits aren't just treats. Fruits are the purpose of the plants that produce them. What good is an apple tree that doesn't produce apples? None! When we have the Holy Spirit, we should be producing fruit like a metaphorical apple tree! Our tree isn't for others to come pick off of our heads, though; it's the Fruit of the Spirit! The Fruit of the Spirit is Love, Joy, Peace, Patience, Kindness, Goodness, Faithfulness, Gentleness, and Self-Control. When we show these things, we are showing the fruit God produces in us! Others get to know God through our fruits! If you aren't producing any fruits, you aren't being a good tree! So be a good tree!

After studying our series "All things New" in which we learned all about Jesus's life after his resurrection, we saw as he ascended he left his followers with the Holy Spirit. Now, we'll do a deep dive into each of the Fruits of the Spirit and see Bible characters who displayed these fruits best.

When we have the gift of the Holy Spirit, we know we have the same power that Jesus showed throughout his time on earth. We are not alone. Through the Spirit, we can show these fruits in powerful ways!

Before the end of this study, recite Galatians 5:22-23 to Mr. Randy, Mrs. IvaLu, or Mr. Clark for a \$5 Sonic gift card!
