

GROWING LEGS

GROW LEGS AT HOME

“All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.” – 2 Timothy 3:16-17

Before we know any of the God-breathed truths in the Scripture, we are like tadpoles with no legs – no foundation for our faith. As we grow to a deeper understanding, though, we develop a strong foundation on which our faith can stand. When we continue to ask questions and search for truth, that foundation becomes strong enough to help us walk and even run with our faith.

Through the series “Growing Legs,” we are offering KCC 56 a safe space to ask questions pertaining to faith in order that we might grow our faith foundations even stronger. We all have questions; the Bible has answers. And where the Bible doesn’t have an explicit answer, we believe the Spirit is alive and well and continuing to lead us to truth.

This series is for students by students. We will study what our students submit! Submit a question online (see QR code) and study more in depth at home! Use the following discussion guide for as a conversation starter!

EACH WEEK:

Students are encouraged to submit questions they have about God, faith, theology, the Bible, or really anything relevant to their relationship with God. They can submit questions online or in person. We will address submitted questions in future lessons. The students shape the material! Make sure to spend a minute or two promoting ways in which students can submit questions before beginning the teaching for the day.
