Read Luke
17:11-18.

Talk about what
a leper is and
what leprosy is.

Have you ever
been scared of
getting sick?
How do you
think these 10
lepers felt that
others were
scared to be
near them?

If you had
leprosy, would
you have
stopped Jesus
on the road and
asked for his
help, even when
no one else
helped you?

Only one out of the ten lepers
came back to Jesus to say "thank
you." Has there ever been a
time you forgot to say "thank
you" to someone? Has someone
ever forgotten to tell you "thank
you"? What are you most
thankful for?

Jesus healed the
lepers with his
voice. That's
pretty
awesome! What
else has God
done with just
his voice?

Write a thank you
card. It could be to
first responders,
teachers, or anyone!
Tell them you are
thankful for them!
