What is a prophecy? (Talk about a prophet being a spokesperson for God, meaning every prophecy is from God)

Read Isaiah 35:5-6. What people would the Messiah heal according to this prophecy?

How would you react if you were blind and Jesus healed you? If your friend was blind and Jesus healed your friend?

Read Luke 7:20-23. When Jesus was asked if he was the "one to come" (or the one to answer prophecy), Jesus listed how he answered the prophecies. If Jesus answered the prophecies spoken about the "one to come" (or the Messiah), he must have been him!

Talk about a time when you were called upon and you answered. Talk about the responsibility of answering a call for a duty.
